PB/PPG C/PPG	4/16		K	The attached draft poses no problems. It is technically not a charter but a detailed exposita of SECOM Personnel Security function attached to DCID 1/11. There are 6 attachments; namely, #1 Technical Surveillance Countermeasures; #2 Computer Security; #3 Intelligence Information Compartmentation; #4 Research + Development; #5 Personnel Security; and #6 Unauthorized Disclosures Investigations. It is SECOM's operating style to establish subcommittees to work out detail under the scope of these 6 areas to present the full Committee with staffed out positions. In this sense the details of generic areas of security become "the Charter" of a subcommittee. The subcommittee therefore is a creature of the SECOM and not of DCID 1/11.
